Introduction

Nextonsolar Limited is a leader in the renewable energy sector, specializing in solar assets across diverse global markets. With a strong commitment to sustainability, we utilize advanced technologies and best practices to drive the global transition to clean energy.

Our focus on sustainability, innovation, and high governance standards distinguishes us as a trusted name in renewable energy development.

Vision

Our vision is to create a world powered entirely by renewable energy. We are dedicated to building a sustainable future where clean energy is the norm, and communities around the globe thrive through responsible and equitable energy solutions.

Mission

Nextonsolar Limited aims to lead the global transition to renewable energy. Through our values-driven approach, we ensure that this transformation is sustainable, equitable, and beneficial for all stakeholders, including markets, investors, employees, and communities.

Leadership in Renewable Energy

Leading the transition to renewable energy through innovation and excellence.

Values-Driven Transformation

Upholding sustainability and equity as guiding principles in everything we do.

Equitable Impact

Ensuring benefits for markets, investors, employees, and communities.

Sustainability Commitment

Embedding sustainability in every aspect of our business for long-term impact.

Our Expertise

Nextonsolar Limited specializes in the development, construction, and operation of solar energy assets globally while adhering to the highest international standards. By integrating innovation, digitalization, and effective governance, we provide advanced renewable energy solutions that address the evolving demands of the industry. Our operations contribute to a cleaner, more sustainable planet while establishing new benchmarks for excellence in the global energy landscape.

NEXTON SOLAR TOKEN (NOS)

Welcome to the heart of the NEXTON SOLAR (NOS) ecosystem, where cutting technology intersects with sustainable energy innovation.

Driven strategic foresight and meticulous planning, we have established a platform that promotes transparency, rewards loyalty, and lays the groundwork for growth and innovation.

NOS TOKEN INVESTMENT - \$1395

An investment of **\$1,395** will be securely locked until the public listing of the **NEXTON SOLAR TOKEN (NOS)**, which is scheduled to take place **18 months** after the launch of NEXTON SOLAR.

Key Information:

- Users will receive NOS Tokens based on the prevailing market value at the time of allocation.
- The value of NOS Tokens will fluctuate according to market capitalization.
- NOS Token funds can only be withdrawn after the public listing.
- Purchasing NEXTON SOLAR Tokens (NOS) is a prerequisite for investing in additional solar packages.

- Key Points to Remember:

- Earn affiliate income by referring others to invest in NOS Tokens.

- Affiliate income can be withdrawn at any time.

- The minimum affiliate withdrawal amount is \$100.

- You can withdraw affiliate income without needing to maintain an active account.

Key Information:

- It is mandatory to have a NOS TOKEN Investment purchase additional SOLAR Investment Packages.
- Users can withdraw between 10% to 16% of their total Deposit Wallet value. (Each Solar Package has a different withdrawal percentage)
- Withdrawals can be made once every 30 days. (For example, if a withdrawal is made on October 10th, the next withdrawal can be processed 30 days from that date.)
- Daily income is generated based on the user's Deposit Wallet value.

WALLET DETAILS:

Deposit Wallet:

MANAGING YOUR DEPOSIT WALLET

- Daily Watts are generated based on your Deposit wallet value.
- Withdraw between 10% to 16% of your total Deposit wallet value.
- Use your Deposit wallet to purchase NOS Tokens at any time.
- Users can transfer Watts from the POWER WALLET to the DEPOSIT WALLET.

Power Wallet:

UTILIZING THE POWER WALLET

- All daily watts are stored in the Power Wallet.
- Watts can be reinvested at any time without minimum limits.
- Withdrawals from the Power Wallet are not permitted; reinvestment is the only option.
- Transfer watts from the Power Wallet to the Deposit Wallet for future withdrawals.
- Withdrawals can be processed every 30 days.

Affiliate Wallet:

AFFILIATE EARNINGS AND WITHDRAWALS

- Affiliate profits are credited to the Affiliate Wallet.
- Minimum referral withdrawal is \$100.
- Withdraw affiliate profits anytime without any restrictions.
- No active package is required to withdraw from the Affiliate Wallet.
